The Board of Directors of the Southern Cal Community School District, hereinafter referred to as the "Board", and the Southern Cal Education Association, hereinafter referred to as the "Association", recognize that the aim of the public schools is to provide a quality education program for children and youth of the school district. The parties further recognize that attainment of this educational objective is a joint responsibility of the Board, the administrative and supervisory staff, the professional teaching personnel of the District, the parents of students, and the community at large.

Whereas the parties have reached certain understandings which they desire to confirm in this Agreement, it is agreed as follows:

ARTICLE III

The unit described in the above certification is as follows:

Definitions:

1. The term "Board", as used in the Agreement, shall mean the Board of Education of the Southern Cal Community School District or its duly authorized representatives.

2. The term "Employee", as used in this Agreement, shall mean all Professional employees represented by this Association in the bargaining unit as defined and certified by the Public Employment Relations Board.

3. The term "Association", as used in this Agreement, shall mean the Southern Cal Education Association or its duly authorized representatives or agents.

ARTICLE IV
GRIEVANCE PROCEDURE

Section 1. A grievance shall mean only a complaint that there has been an alleged violation, misinterpretation, or misapplication of any of the specific provisions of the Agreement except for those specific provisions which have been excluded from the grievance procedure.

Section 2. (a) Every employee of the bargaining unit covered by this Agreement or the Association shall have the right to present grievances in accordance with these procedures.

(b) The failure of an employee of the bargaining unit (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

(c) It is agreed that any investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grievant or of the teaching staff.

(d) Any employee shall be free to adjust individual complaints without Association representation, but not without Association knowledge, if he/she so desires.

Section 3. (a) First Step.

An attempt shall be made to resolve any grievance in informal verbal discussion between complainant and his/her principal.

(b) Second Step.

If the grievance cannot be resolved informally, the grievant shall file the grievance in writing, and at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of this Agreement which are under question, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within (10) work days from the date of occurrence of the event giving rise to the grievance. The principal shall make a decision on the grievance and communicate it in writing to the grievant and the Superintendent within ten (10) work days after receipt of the grievance.

(c) Third Step

In the event a grievance has not been satisfactorily resolved at the second step, the grievant shall file, within ten (10) work days of the principal's written decision at the second step, a copy of the grievance with the Superintendent.

Within ten (10) work days after such written grievance is filed, the aggrieved and Superintendent or Superintendent's designee shall meet to resolve the grievance. The Superintendent or Superintendent's designee shall file an answer within ten (10) work days of the third-step grievance meeting and communicate it in writing to the grievant and the principal.

(d) Fourth step.

If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grievant to the Superintendent within thirty (30) days from receipt of the Step 3 answer to enter into such arbitration. The arbitration proceeding shall be conducted by an Arbitrator to be selected by the two (2) parties within seven (7) days after said notice is given. If the two (2) parties fail to reach agreement on an Arbitrator within seven (7) days, the American Arbitration Association will be requested to provide a panel of seven (7) arbitrators. The two (2) parties will alternately strike one (1) name at a time from the panel until only one (1) shall remain. The remaining name shall be the arbitrator. The decision of the Arbitrator will be binding on the parties.

Expenses for the Arbitrator's services shall be borne equally by the School District and the Association unless an individual grievant has chosen to adjust a grievance without Association help. In this case expenses shall be borne equally by the School District and the grievant.

The Arbitrator shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. The Arbitrator's authority shall be strictly limited to deciding only the issue or issues presented in writing by the School District and the Association, and the decision must be based solely and only upon the Arbitrator's interpretation of the meaning or application of the express relevant language of the Agreement.

Section 4. If the Association or any employee files any claim or complaint in a legal tribunal other than a grievance arbitration hearing, then the School District shall not be required to process the same claim or set of facts through the grievance procedure.

Section 5. The accepted form for filing grievance is found in Article XVIII - schedule C - of this Agreement.
